

### **Golf Operations Supervisor**

An exciting opportunity to join the award-winning team at Dumbarnie Links.

To be a key part of an existing accomplished team, delivering an exceptional world class golfing experience to all of our guests.

In a busy and often fast paced working environment, the individual must have high enthusiasm to work often under pressure, whilst maintaining an eye for the small details that make for an outstanding venue.

#### **From You:**

The individual will be responsible for motivating and training a golf operations staff aimed at delivering the best golfing experience possible. Excellent time management and organisational skills are also a must in this varied and exciting role.

We pride ourselves on creating the best team environment possible, where a day at work is more like spending some time with friends.

#### **From Us:**

Extensive structured management training program to enable the successful applicant to develop and succeed in this wide and varied role.

Guidance and support from a qualified and highly experienced management team.

Substantial employee benefits including company pension.

This position is permanent and salaried, with annualised hours worked across 8 months (April to November inclusive).

All interested applicants should send an email to include covering letter and C.V. detailing prior experience to Diane Page, HR Manager, [dpage@dumbarnielinks.com](mailto:dpage@dumbarnielinks.com)

Closing date: Monday 27<sup>th</sup> March 2023

**Previous Applicants need not apply.**
